

A STRATEGIC APPROACH TO DRIVE RESULTS

Visionary Integration Professionals

About VIP

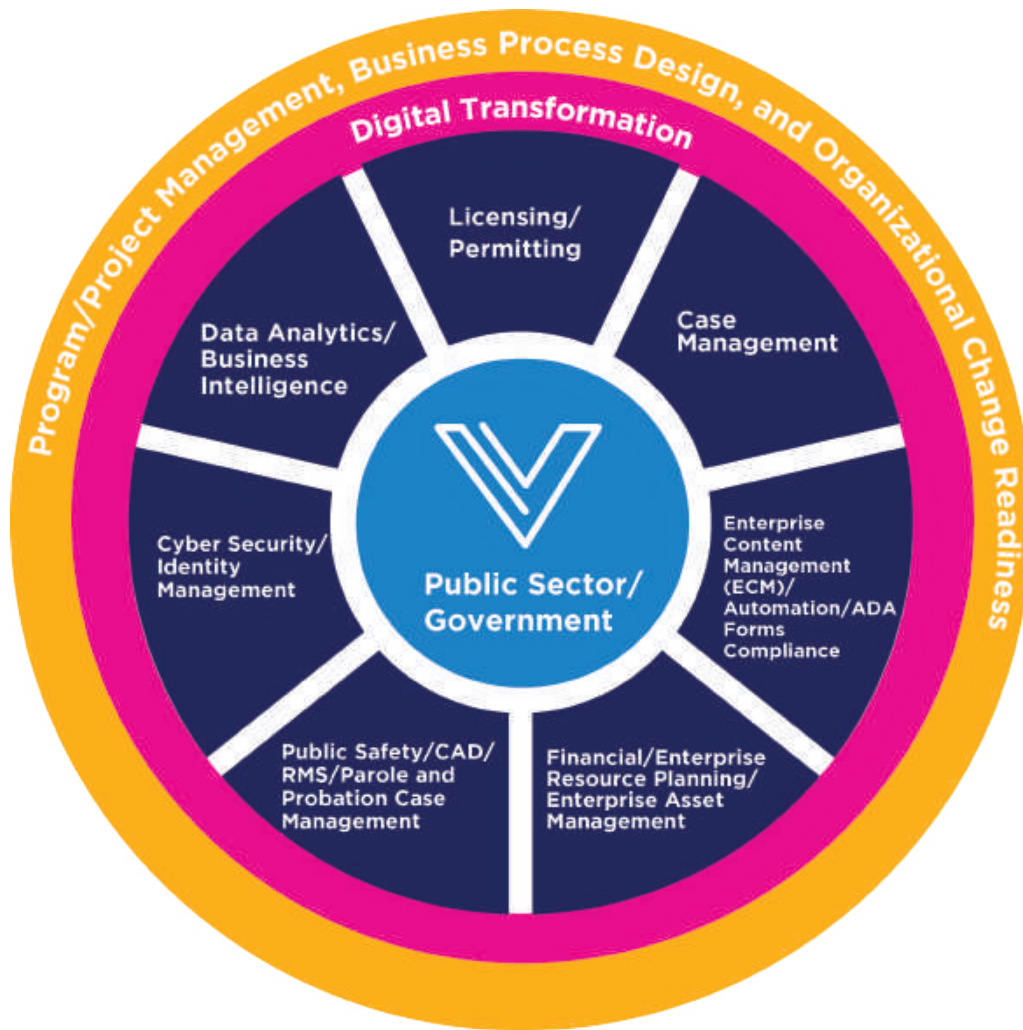

Every day, Visionary Integration Professionals (VIP) makes a difference in how organizations work. VIP combines functional expertise with technology to deliver truly impactful solutions to government clients across the country. VIP provides industry-leading management consulting, system integration, and technology deployment solutions to help public organizations address their needs and meet specific challenges.

VIP's team of technical experts collaborate closely with government organizations to create and drive strategies for change and create plans for modernization. VIP offers a broad range of services to assist government agencies to meet the needs of their mission and better serve their constituents.

As a holder of prominent federal, state and local procurement vehicles, VIP is ideally positioned to help government agencies select the most suitable technology solutions for the greatest possible value. In addition to listing VIP's direct products and services, we partner with key best-of-breed hardware, software, and support vendors to resell their solutions to federal, state and local government agencies.

*Solutions for State, Local
and Federal Organizations*

State, local and federal government agencies work closely with VIP's team to support numerous technology modernization and digital transformation initiatives. These projects assist public sector organizations to stretch their budgets, demonstrate quantifiable technology improvements and elevate the level of service they are able to provide to their citizens. VIP's key areas of experience and expertise are outlined below:

VIP pairs decades of deep project and program management capabilities with the power of modern rapid application development tools to stand up effective technology solutions that meet critical timeframes. Our holistic knowledge of program management and organizational change along with technology modernization options allow our clients to garner additional value from their investments.
